34 Murray Street, Hobart

View the exhibition catalogue on hadleysartprize.com.au/education

Which is your favourite artwork. Consider:

- *How did your artist create their special place?*
- *Why do you think they chose it?*
- *How have they presented their ideas through their artwork?*
- *What materials have they used and what special methods have they used to create their artwork?*

Creating a Postcard Picture of your Favourite Place

Draw inspiration from the Hadley's Art Prize finalists' artworks.

Use an A4 piece of paper. Use the top half for your art.

- *Consider places where you have happy memories and choose one.*
- *Is it a quiet place or a noisy place?*
- *What time of day do you visit it?*
- *How have you been inspired by your favourite artwork in the Hadley's Art Prize?*
- *What materials you will use to make your artwork?*

Writing to the artist who inspired you.

Tell the artist who inspired you what you liked about their artwork. Tell them about the special place you have chosen to portray.

Write on the lower half of the page.

- *Consider how shapes, colours, images, or words can be used to let them know how special this place is to you.*

These letters may be shared with the artists.
