PROFILE

An artist bridging the divide between the worlds of Fine Art and Illustration.
Using my training in design, illustration and classical painting, my intricate artworks reflect the people, the places and the light of Melbourne's Inner-North, an area I have lived for much of my life.

WORK

2016-2023

FINE ART

Since 2016 I have worked as a Fine Artist, creating oil paintings and drawings, which I exhibit and sell to private collectors.

2003-2023

FREELANCE ILLUSTRATION

Since 2003 I have worked as a Freelance Illustrator.

I have worked widely within the music industry, producing concert posters for countless bands, including Pearl Jam, The Rolling Stones, Queens of the Stone Age, Radiohead, Kings of Leon and The Arctic Monkeys.

I have also been responsible for producing Illustrations and Pre-Visualisation Graphics for brands both local and international, including SBS, Telstra, Optus, NBN Co, Westfield, Bankwest, and many, many more.
